

EXCALIBUR LIQUID LAUNDRY DETERGENT

This rich liquid represents the latest in the development of liquid surfactants. Excalibur's high concentration and exceptional detergency allow it to be effectively used in laundry applications. It completely removes a wide variety of soils without damage to even sensitive fabrics. This surfactant rinses well and will not build up on fiber. Excalibur will not fade bright colors or gray whites. It contains no harsh alkalis or acids which can be unsafe to the operator.

DIRECTIONS FOR USE

Directions for Use:

For the following capacity washers, add the amount shown:

200 pound capacity - 4 to 8 ounces

75 pound capacity - 2 to 4 ounces

35 pound capacity - 1 to 2 ounces

Program dispenser to add correct amount of surfactant with wash water fill. After all items of liquid system are set, run test load of badly soiled and stained linens to observe remarkable cleaning. See your sales representative for specific laundry handling instructions.

KEEP FROM FREEZING

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
