

## **FREEZER CLEANER**

### **Low Foaming Neutral Detergent Concentrate**

Freezer Cleaner is a heavy duty, non-freezing neutral cleaner designed especially for low temperatures found in freezers and coolers. Freezer Cleaner can be used on floors, walls, and storage racks in refrigerated environments. Low foaming action makes it a great choice for use with automatic scrubbing equipment and wet vacs. At temperatures above 10°F, it can be diluted with water for greater economies.

#### **DIRECTIONS FOR USE**

Directions for Use:

Due to various application methods and soil conditions, the following dilutions are given as a guideline. Experiment to find the most effective and economical dilution for each application.

For temperatures ABOVE 10°F, it can be diluted with up to 50% water.

For temperatures BELOW 10°F, use without dilution.

Can be applied with mop, sponge, auto or riding scrubber. Do not rinse. Remove with a wet vac, squeegee or dry cloth.

*\*Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*

#### **GENERAL PRODUCT INFORMATION**

**Description:** Neutral Low Temperature Detergent

**Safety:** Keep product stored in original container, in an upright position, with container tightly closed. If swallowed, rinse mouth - Do Not induce vomiting. If on skin, wash with water - remove contaminated clothing. If inhaled, remove person to fresh air - administer artificial respiration if not breathing. If in eye, flush eye continuously with water - remove contacts and continue flushing with water. Seek medical assistance if symptoms persist. Dispose of contents/container according to local/regional regulations. For Chemical Emergency, spill, leak, fire, exposure, or accident, contact: Chemtrec (day or night) - Within USA and Canada - 1-800-424-9300.

**Packaging:** 5 Gal. (18.927L), 1 Gal. (3.8L) Case Contents: 2 x 1 Gal. (7.6L)

**Product #:** 700714 / 700715

See Safety Data Sheet (SDS) for a complete listing of hazards, precautions, first aid statements, storage and handling information.
