

ACS GLASS CLEANER AEROSOL

This non-ammoniated, non-alcohol glass cleaner is superior to all others due to its longer-lasting vertical hold. It puts a new gleam on mirrors, windows and glass doors. Use to clean windshields, showcases, glass TV screens and computer monitors, and other glass surfaces. SprayAnyWay™ valve sprays in any direction - even upside down!

DIRECTIONS FOR USE

Directions for Use:

SHAKE WELL BEFORE USING!

Hold can about 10 inches away from surface to be cleaned. Spray lightly. Wipe clean, then polish with a clean, dry cloth. Shake occasionally during use. Do not spray directly on TV screens, monitors, etc. Spray cleaner onto a clean cloth and use that to wipe surface. For plasma or LCD screens, consult manufacturer's instructions.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*

GENERAL PRODUCT INFORMATION

Description: Aerosol Glass Cleaner

Safety: WARNING: Contents under pressure. DO NOT PUNCTURE OR INCINERATE (BURN). Do not use or store near heat, sparks, open flame, red hot surfaces or other sources of ignition, in direct sunlight or where temperature will exceed 122 °F (50°C).
