

POW Oven & Grill Cleaner

POW is one of the finest products of its type on the market today. Its professional strength grease removing components work quickly, without the use of abrasives that can scratch valuable equipment. POW completely cleans surfaces, eliminates the cause of rancid odors and stale tastes, and protects the quality of the food. This powerful product can also be used to clean deep fat fryers and hoods.

DIRECTIONS FOR USE

Directions for Use:

1. Scrape heavy debris from grill surface.
2. Raise or lower temperature of grill to 150°-160°F.
3. Spray or pour POW on entire grill surface. A 1:1 dilution is recommended for general use.
4. Scrub with grill brick.
5. Rinse with water thoroughly.
6. IMMEDIATELY Reprocess grill with cooking oils to prevent sticking.

FOR DEEP FAT FRYERS: Drain oil and remove food debris. Fill with water to grease line. Add 2-4 ounces of POW. Bring to a low boil for 15-20 minutes. Cool, brush, flush. Rinse and neutralize with a mild acid or descaler rinse. Drain.
DO NOT USE ON ALUMINUM.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
